          I'm an 18 year old aspiring front end developer. I enjoy taking co
mplex problems and turning then into simple interface designs. I also love cod
ing and always strive to write elegant and efiicient code. When I'm not into
studies i'm probably involved in singing which is my passion too or other art
activities. I love photography, every time my eyes falls onto something which
looks diffrent to me it is always captured by me.

          I'm an enthusiast learner and currently pursuing my graduation (B
.TECH. CSE) from Mody University,lakshmangarh.
